Public Forum (Comments limited to three minutes) State full name, address, and phone number. Speakers will address all comments to the entire council as a whole and not one individual member. The board and staff will not respond to individual comments or questions during the public forum. If applicable, a staff member will appropriately respond to the citizen during normal business hours as soon as reasonably possible. The inability of the board to engage in dialog with a speaker does not mean it will be unresponsive to constituent concerns and questions. The board may elect to take action on issues raised during the public forum, refer particular issues to staff, or place items on an agenda for an upcoming meeting of the board.
